California Native Plant Society/Redbud Chapter
Lake Wildwood Association
Natural Resource Conservation Service
Nevada Irrigation District

Resource Conservation District
South Yuba River Citizens League
UC Master Gardeners
USDA Tahoe National Forest
Yuba-Bear River Watershed Council

CHALLENGES

*Local Nurseries, Landscape Contractors and
the Citizens of Nevada County to educate the public regarding
this extremely noxious and **invasive weed!!***

SCOTCH BROOM CHALLENGE !!!

We Challenge You To:

1. **Educate to reduce & control:** Many newcomers to Nevada County don't realize why this is a hazardous plant to place near your home.
2. **Label:** Help shoppers at retail locations by labeling "Fire Wise" plant selections. Offer FSCNC's plant guide to provide good selections for landscaping in the wildland areas of Nevada County.
3. **Remove** all broom varieties from retail locations and around homes and evacuation routes.
4. FSCNC & SYRCL offer a free **weed wrench** loan program (SYRCL @ 265-5961)

***This aggressive and rapidly spreading plant forms a dense,
impenetrable stand that...***

CREATES SEVERE FIRE HAZARDS !!!

PREVENTS FOREST REGENERATION !!!

DEGRADES RANGELANDS !!!

DO NOT SELL OR PLANT IN ANY FORM !!!
